The Worshipful Company of Horners
"Bucks & Does" Clay Pigeon Day
Bisley Shooting Ground
Monday 25th September 2017

The Worshipful Company of Horners' cordially invites participants from fellow Livery Companies to its annual clay pigeon day in aid of the Lord Mayors Big Curry Lunch Charity the ABF (Army Benevolent Fund). The current Lord Mayor Andrew Palmley is of course a Horner

With so many Livery Companies having strong Armed Services affiliations we would like to promote that bond with a particular class of prizes where a team consists of two livery and two shooters from their Armed Services affiliation. We believe this will produce some interesting competition! Livery Companies with Armed Services affiliation are particularly invited to enter teams.

The price per gun is £195 including breakfast and a two course lunch.

The competition is for teams of four. There will be various prizes for the top gun and the top teams as well as top mixed livery & Armed Services team.. The day commences at 09.00 with breakfast and will finish after lunch with the prize giving, an auction and a raffle.

If individual Liverymen would like to enter then teams will be assembled on the day.

If any Liveries or Armed Services affiliations would like to donate any items for the auction or the raffle please contact Liveryman Charles Bettinson at clinkhammer-risksolutions@outlook.com.
