**Lt Col. BILL CLARK**

**Highly Commended, Root & Branch Award 2018**

Bill Clark is a Past Master Woolman who has created every freeman's dream - to be able to take sheep over London Bridge. An amazing logistical feat that he pulls off every year and builds each year on the success of the past. This event gives a lot of pleasure and raises funds for charity. It provides a quirky profile for the City and the Livery. Bill will explore how it all takes shape each year and will be fresh from the event taking place on September 30th 2018.

So please join us for the talk and then at the Club lunch to continue the discussion. Attendance at the group costs **£10 per person, or £24.00 including 2 - course Club lunch with wine**. Guests are welcome. *We regret that refunds will not be made for places cancelled after 19 October.*
