Progressing through the Livery

It is expected that new members (Freemen) will, in due course, be invited to progress to the enhanced status of Liveryman. The invitation from the Company is normally not made until a new Freeman has demonstrated support of the Company through regular attendance at events and activities, including support of our charitable activities.

Livery status requires members to be first granted the Freedom of the City of London which, in turn, allows a member to enjoy the privilege of attending the Corporation's Common Hall in the Great Hall at Guildhall and have the right to attend the election of the Lord Mayor and Sheriffs. Liverymen are also eligible to hold office within the Company.

Livery Fine Contribution - £600.00

The fine on becoming a Liveryman is (payable no less than one month in advance of Clothing). We can set up a payment plan where necessary.

Court Assistant, Warden and Master

Liverymen keen to support and help guide the Company are eligible to seek election to Court as Court Assistant. One of the requirements of Liverymen seeking election is that they demonstrate service on one of the Livery's Committees and are active supporters of WCI events and charitable activities. The Appointments Committee meets quarterly to review proposals and to make recommendations to the Election Court, which meets annually in July.

Court Assistant's Fine & Badge

(payable in advance)

Court Assistants are required to purchase and to wear an Assistant's badge at the Company's formal events and meetings. The badge will be engraved with their name and year of elevation to the Court.

£550.00 (subject to changes in the cost of the badge)
